Daddy's Lindsay Hunter

Lindsay Hunter tells the stories no one else will in ways no one else can. In this down and dirty debut she draws vivid portraits of bad people in worse places. A woman struggles to survive her boyfriend's terror preparations. A wife finds that the key to her sex life lies in her dog's electric collar. Two teenagers violently tip the scales of their friendship. A rising star of the new fast fiction, Hunter bares all before you can blink in her bold, beautiful stories. In this collection of slim southern gothics, she offers an exploration not of the human heart but of the spine; mixing sex, violence and love into a harrowing, head-spinning read.
