Hal Leonard ASAP Bluegrass Mandolin (Book/2 CD Pack) Hal Leonard

This book/2 CD pack delivers the meat and potatoes of bluegrass mandolin, way beyond just teaching fiddle tunes. With this instruction package, you will discover how to find your way around the neck using common double-stops, develop creative back-up skills, play solos to vocal tunes in the style of Bill Monroe, make up your own solos, and much more. At an average learning pace, this pack represents nearly two years worth of lessons and includes two instructional CDs: one CD plays every example in the book, and the second CD contains 32 songs performed by a bluegrass band with the mandolin parts separated onto the right channel.
