## Jungian Analysis (Reality of the Psyche Series)

This is a revised, updated, and expanded edition of a classic work, a groundbreaking survey of the Jungian approach to therapy in its most important applications. The majority of the contributions have been completely rewritten or replaced, while the remainder have been thoroughly revised.

Jungian Analysis comprises 18 definitive essays by eminent Jungian authorities on specific aspects of Jungian thought and practice. Each contribution is written in a personal tone and style, and presents the history and state of the art on the chosen topic, with a reference list for further reading.
