The Bostonians

Henry James

The Bostonians Henry James

Verena Tarrant is caught between two people vying for control of her attention and affections. Because of her eloquence as a speaker for the feminist movement, Olive Chancellor wants her attention focused on the cause. But handsome lawyer Basil Ransome has his mind set on capturing her heart, and in the process, taking her away from Olive and her feminist crusade.

Henry James deftly explores the politics of the early women's movement in this satirical novel, and keenly observes the friction exists even now—is it truly possible for women to have everything?

HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.
