The Yin and Yang of Cancer: Breakthroughs from the East and the West

Bernard Chan, Georges M. Halpern

The Yin and Yang of Cancer: Breakthroughs from the East and the West Bernard Chan, Georges M. Halpern

Although Eastern and Western doctors have the same objectives in the fight against cancer, their methods of treatment are worlds apart. *The Yin & Yang of Cancer* bridges the information gap between these two approaches. The authors begin with a clear history of how traditional Chinese and Western medicines evolved, and how they have interacted with each other. They then provide a detailed discussion of the Chinese use of medicinal mushrooms, which could add further weapons to our own cancer-fighting arsenal.
