A warm and sexy read about the fun and danger of meeting your first love, second time around – for all fans of Carole Matthews and Jill Mansell.

Who could resist the chance to go to their old school reunion? To find out who got on? Who got fat? Who got famous and who got off with who?

Carol French is lured by the promise of a get-together through oldschooltie.com, and it's better than just old school friends – it's the old sixth-form drama group that twenty years ago took 'Macbeth' on tour. A tour that was dramatic in more ways than one, and Carol has carried a torch for the leading actor ever since. Not that it has stopped her marrying, having kids, divorcing – but that memory just won't go away. Now she is about to be brought face to face with the adolescent love god himself, except now he's nearly forty...

Old loves, lusts and rivalries are waiting in the wings in this marvellously warm tale from top talent Gemma Fox.
