LIBRO IN PROMOZIONE FINO A FINE GIUGNO!

Viaggi nella mente e nel corpo. Immaginate per un attimo soltanto un futuro in cui sia possibile accedere tramite un software alla mente di un individuo, entrandogli nella testa, suggerendogli quali azioni compiere, come pensare, quasi pilotandolo in maniera coattiva.

"Coattiva coscienza" è un racconto misterioso, a tratti malinconico e sprezzante, geniale per molti versi ed innovativo. Ispiratore della serie a fumetti "Battle Human Zaoga", questo racconto apre le porte su di un mondo, quello del controllo mentale, che è l'ultima frontiera della fantascienza moderna.

"La sensazione della libertà" è la migliore gabbia per la tua mente.

Desmond Keymera, nome in codice "Prometeus", è un agente della General Order Division prossimo ai cinquant'anni e dunque al pensionamento dopo un onorato servizio.

La G.O.D., o più semplicemente Divisione, è la polizia psichica di Nedessa, l'avveniristica città capitale del continente settentrionale. Gli agenti della Divisione, i piloti, si occupano della prevenzione o repressione non cruenta dei crimini, hackerando le menti dei criminali.

Esiste infatti una rete psichica globale alla quale sono connesse le coscienze di tutte le persone viventi. I piloti, sfruttando la rete, accedono alla mente di altre persone utilizzando delle poltrone operatorie e seguendo regole ben precise.

La divisione affianca a Prometeus la giovane Aurora, una bella e promettente matricola che il "vecchio" pilota dovrà istruire nelle poche settimane che lo separano dal pensionamento. Ma la "routine" quotidiana dell'addestramento viene interrotta da un'improvvisa escalation di crimini violenti, che ben presto vengono attribuiti al misterioso telepate Mefistofele...

From reader reviews:

Arthur Haase:

The publication with title Coattiva Coscienza (Italian Edition) possesses a lot of information that you can learn it. You can get a lot of benefit after read this book. This book exist new understanding the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to find out how the improvement of the world. This particular book will bring you inside new era of the the positive effect. You can read the e-book on your own smart phone, so you can read that anywhere you want.

Angelina Rone:

People live in this new day time of lifestyle always attempt to and must have the free time or they will get wide range of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely without a doubt. People is human not just a robot. Then we inquire again, what kind of activity do you possess when the spare time coming to you of course your answer will probably unlimited right. Then do you try this one, reading ebooks. It can be your alternative within spending your spare time, typically the book you have read is actually Coattiva Coscienza (Italian Edition).

Michael Kimbrell:

This Coattiva Coscienza (Italian Edition) is great guide for you because the content which is full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great plan word or we can point out no rambling sentences inside it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but challenging core information with attractive delivering sentences. Having Coattiva Coscienza (Italian Edition) in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen small right but this publication already do that. So , this really is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

Doris Avey:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Coattiva Coscienza (Italian Edition) can make you truly feel more interested to read.
