## **Ghosts Caught On Film** Melvyn Willin

Rise in public interest fuelled by TV shows such as Most Haunted, about to broadcast its 9th series and Afterlife, averaging 6 million viewers.

This is the only book of its kind showing the paranormal caught on camera.

Contains intriguing images investigated by the Society for Psychical Research.

*Ghost Caught on Film* presents an extraordinary collection of strange and unexplained photographs that offer the exciting possibility of ghosts and paranormal activity captured on film. The book features early photographs from the Society for Psychical Research of psychics and mediums producing ectoplasm, ghost pictures and other paranormal phenomena as well as celebrated modern images such as the Hampton Court ghost. Each picture is accompanied by a description of its circumstances and the steps taken by Willin, the Society for Psychical Research and the Royal Photographic Society to establish that there is no 'normal' explanation for the phenomena. The incredible photographs will stimulate the interest of everyone who sees them. Whether you are a complete sceptic or a semi-believer, you can't help but be drawn into the mystery.
