Hide Out Katie Allen

When Officer Peter Giordano is assigned to keep Trevor Haas safe until he can testify against his murderous father, he expects the hardest part of his job will be keeping his hands off the gorgeous witness. The two men hide out in the small, sleepy town of Honeysuckle, fixing up their dilapidated safe house by day...exploring each other's bodies by night. Their small-town neighbors have some secrets of their own, however, including one that someone is willing to kill to protect. Soon, a neighbor is dead and Pete and Trevor are thrown into the middle of a murder investigation. The two men struggle to keep Trevor's true identity a secret, knowing his father will stop at nothing to silence the star witness against him—even if that means killing his own son. Note: Pete and Trevor won't have to go it alone. Wash and Rhodes, the crush-worthy heroes from Private Dicks, are along for the ride once again.
