The Cay

Theodore Taylor

The Cay Theodore Taylor

Read Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner *The Cay*.

Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed.

When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently."

But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy.

"Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—*New York Times Book Review*

"A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—*Kirkus Reviews*

* "Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—*School Library Journal, Starred*

"Starkly dramatic, believable and compelling."—*Saturday Review*

"A tense and moving experience in reading."—*Publishers Weekly*

"Eloquently underscores the intrinsic brotherhood of man."—*Booklist*

"This is one of the best survival stories since *Robinson Crusoe*."—*The Washington Star*

From reader reviews:

Cory Kyle:

This The Cay book is just not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is usually information inside this book incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The Cay without we comprehend teach the one who reading it become critical in thinking and analyzing. Don't end up being worry The Cay can bring any time you are and not make your case space or bookshelves' turn out to be full because you can have it in your lovely laptop even telephone. This The Cay having very good arrangement in word along with layout, so you will not really feel uninterested in reading.

Otis Thompson:

Reading a reserve tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire their reader with their story or even their experience. Not only the storyplot that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some exploration before they write on their book. One of them is this The Cay.

Krystal Sutherland:

Do you have something that you like such as book? The publication lovers usually prefer to select book like comic, brief story and the biggest you are novel. Now, why not trying The Cay that give your pleasure preference will be satisfied through reading this book. Reading addiction all over the world can be said as the way for people to know world far better then how they react when it comes to the world. It can't be claimed constantly that reading habit only for the geeky individual but for all of you who wants to end up being success person. So , for all you who want to start studying as your good habit, it is possible to pick The Cay become your own personal starter.

Tia Sargent:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Cay can make you feel more interested to read.
