Perspective Made Easy (Dover Art Instruction) Ernest R. Norling

Perspective, the author tells us, is easy; yet surprisingly few artists are aware of the simple rules that make it so. This easy-to-follow book — the first devoted entirely to clarifying the laws of perspective — remedies the situation. In it, the author uses over 250 simple line drawings to illustrate the concepts involved.

Beginning with clear, concise, immediately applicable discussions of the horizon, vanishing point, and the crucial relationship of eye level to perspective drawing, you'll learn how to place figures and objects in a drawing, depict interiors, create shade and shadows, and achieve all the other elements necessary for a successful perspective drawing. By repeatedly stressing important points, Mr. Norling teaches you to make them second-nature. Moreover, his approach is so simple and direct that no matter how little raw talent or experience you have, you will soon be able to apply these techniques almost instinctively.

Mastery of perspective is a basic skill every artist must have. This simple, nontechnical guide will enable you to master its essentials in a relatively short time. Clear and concise, this book is an essential addition to any artist's bookshelf.

From reader reviews:

Daniel Soderquist:

Throughout other case, little folks like to read book Perspective Made Easy (Dover Art Instruction). You can choose the best book if you appreciate reading a book. As long as we know about how is important a book Perspective Made Easy (Dover Art Instruction). You can add information and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can know everything! From your country until eventually foreign or abroad you will be known. About simple point until wonderful thing it is possible to know that. In this era, you can open a book or perhaps searching by internet system. It is called e-book. You need to use it when you feel fed up to go to the library. Let's learn.

Stacie Logan:

Book will be written, printed, or highlighted for everything. You can understand everything you want by a reserve. Book has a different type. As it is known to us that book is important matter to bring us around the world. Alongside that you can your reading proficiency was fluently. A reserve Perspective Made Easy (Dover Art Instruction) will make you to possibly be smarter. You can feel more confidence if you can know about everything. But some of you think this open or reading a new book make you bored. It is not make you fun. Why they can be thought like that? Have you trying to find best book or acceptable book with you?

Robert Long:

Within this era which is the greater man or who has ability to do something more are more important than other. Do you want to become among it? It is just simple strategy to have that. What you are related is just spending your time not much but quite enough to get a look at some books. Among the books in the top record in your reading list will be Perspective Made Easy (Dover Art Instruction). This book which can be qualified as The Hungry Inclines can get you closer in becoming precious person. By looking upwards and review this book you can get many advantages.

Kaye Reynolds:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Perspective Made Easy (Dover Art Instruction) can make you feel more interested to read.
