Pizzicato: The Abduction of the Magic Violin Rusalka Reh

Nonstop fun with a dizzying amount of mystery, *Pizzicato: The Abduction of the Magic Violin* is a lighthearted whodunit featuring a fair-haired orphan named Darius Dorian, who has a sly wit and a curious way of approaching most any predicament. Darius is none too pleased to be paired with Archibald Archinola, a master violinmaker, for a school project, especially when he thinks about his rival—fellow orphan and constant nemesis Max—being surrounded by Porsches at Auto Frederick for the same assignment. But when Darius discovers an old violin in a glass case and strikes the chords, a cut on his hand magically disappears, and suddenly studying with the violinmaker proves to be anything but dull. As a greedy doctor works to get her hands on the magic fiddle, Darius is forced to pull a few strings to save the magic violin's power.
