Howard Barker

**The Fence in its Thousandth Year (Oberon Modern Plays)** Howard Barker

*The Fence in its Thousandth Year* was inspired by the long distance fence whilst it was under construction in the Gaza to separate the Palestinian and Jewish communities. Set in a world of rising frontiers and illegal immigration, *The Fence* uses powerful poetic language, provocative ideas and rich, dark humour to build a compelling epic about scandal in a ruling monarchy and its subsequent downfall. At the heart of this tale is the intensely personal story of a blind boy's struggle to discover his true identity in a world where nothing is what it seems...

*The Fence*, produced by the Wrestling Company, opened at the Birmingham Rep in June 2005, followed by a UK tour.
