## **I Say Unto You: Jesus: Son of God or Mystic? (OSHO Classics) Osho**

What if Jesus were not a supernatural being conceived by a virgin, but a real human being who had experienced the awakening of consciousness known as “enlightenment” in the East? This extraordinary line-by-line commentary on selected Gospels from Matthew and John tests the hypothesis that Jesus was a mystic, not a miracle worker of supernatural origin. Osho convincingly makes the case that the stories of Jesus' life were never meant to be a factual record of history, but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come.

*I Say Unto You* introduces us to a dynamic, compassionate, intelligent, loving Jesus, who speaks in a plain and simple way that everyone can understand. This is not the long-faced, sad and tortured man often depicted down the centuries.

Osho looks with a crystal-clear perception at Jesus' work, inviting us to see the parables and miracles as metaphors of the inner world. He gives insight into Jesus' own search, and his journeys to the ancient mystery schools of Egypt, Kashmir, and Tibet that transformed him into one of the most evolved masters of the paths of love and meditation, with insights that are still relevant for today's world.
