**Professional Manga: Digital Storytelling with Manga Studio EX** Steve Horton, Jeong Mo Yang

Combine high-end manga storytelling theory and advice with the tools for digital creation in Manga Studio, guided by expert professional manga-ka.

You'll discover manga storytelling techniques, from speed lines to technology, from toning to big sound effects. Steve Horton and Jeong Mo Yang then show you how best to accomplish these techniques using the leading manga art creation program, Manga Studio EX. Every ounce of theory is backed up with step-by-step manga illustrations and Manga Studio screenshots that show how these illustrations were created.

See the techniques in action in *The Other Side of the Tracks*, a new manga short story in the book centerfold which demonstrates at least one example from every technique described. You can also follow the continuing story as a webmanga available at [comicspace.com](http://comicspace.com).

And there's more! The companion CD includes trial version of Manga Studio EX along with high-resolution image files from the book.

Smith Micro has also included a coupon for \$100 off the full version of Manga Studio EX.
