Tom Rabbit Martin Waddell

This charming new story by the creators of the classic Little Bear books takes a tender, humorous look at being lost . . . and then found.

Late one afternoon, Sammy takes his toy rabbit, Tom, out to the back field on the farm to see the real, wild rabbits. Tom Rabbit is happy with

Sammy. But then Sammy goes into the house for supper, leaving Tom all alone. When the moon rises and the wild rabbits come, what will they think of a little toy rabbit like Tom? And most important of all, will Sammy come back to bring Tom home?

Martin Waddell's gentle but powerful text and Barbara Firth's expressive illustrations portray the feelings that emerge when one is lost, but then reassuringly found.

From reader reviews:

Dan Maes:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite book and reading a e-book. Beside you can solve your long lasting problem; you can add your knowledge by the guide entitled Tom Rabbit. Try to make the book Tom Rabbit as your pal. It means that it can for being your friend when you feel alone and beside that of course make you smarter than before. Yeah, it is very fortunated in your case. The book makes you more confidence because you can know anything by the book. So , let's make new experience as well as knowledge with this book.

Jennifer Walker:

Reading a book to get new life style in this yr; every people loves to study a book. When you study a book you can get a lots of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what types of book that you have read. In order to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, and also soon. The Tom Rabbit will give you a new experience in looking at a book.

Jesus Thresher:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Tom Rabbit can make you experience more interested to read.

Lavonne Yates:

What is your hobby? Have you heard in which question when you got college students? We believe that that problem was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you also know that little person including reading or as studying become their hobby. You should know that reading is very important in addition to book as to be the issue. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You will find good news or update regarding something by book. Different categories of books that can you choose to use be your object. One of them is actually Tom Rabbit.
