## **Wake Up America (Italian Edition)** Gustavo Lo Presti

Molti segnali ormai ci fanno capire che questo mondo, così come viene gestito oggi dai poteri politici ed economici, non ha futuro, se per tale si intende una civile sopravvivenza dell'intera comunità umana. Il surriscaldamento dell'atmosfera, il sempre incombente pericolo di guerre anche con armi nucleari, la preventivata e prossima carenza di risorse energetiche e alimentari, la recente crisi finanziaria ed economica sorta nei paesi più ricchi per effetto di speculazioni non avvistate in tempo, la montante propensione alla violenza all'interno della società, e altro ancora...Sono problemi e difficoltà per lo più di dimensione planetaria che le attuali classi dirigenti con la loro povertà culturale, etica e politica non sono in grado di affrontare. È sempre più evidente la necessità di intraprendere al più presto una rivoluzione culturale, sociale, economica e politica che, trasformando il singolo individuo e la società, renda possibile la nascita e lo sviluppo di un nuovo umanesimo. Solo persone maturate e migliorate nella loro qualità umana potranno affrontare la gravità e l'enormità di queste sfide mondiali e dei problemi sociali, economici e politici ad esse connesse. Un appello viene rivolto agli Stati Uniti, la nazione più accreditata per l'assunzione di questo straordinario impegno.
