Air Plants Zenaida Sengo

Air Plants, by Zenaida Sengo, the interior coordinator at the popular San Francisco-based Flora Grubb Gardens, shows how simple and rewarding it is to grow, craft, and design with these modern beauties. Decorating with air plants is made easy with stunning photographs that showcase ideas for using them mounted on walls, suspended from the ceiling, as living bows and jewelry, as screens, and in unique containers, like leather pouches, dishes, and baskets. Six step-by-step projects include a wood mount, a wall hook, lasso-and-hook wiring, a ceramic-frame garden, and three unique terrariums.
