## **Otros mundos - las huellas de los antiguos dioses (Spanish Edition)** Miguel Blanco

Tras el éxito de su libro 2012. Mayas: los señores del tiempo —más de 10.000 ejemplares vendidos—, Miguel Blanco, director del mítico programa radiofónico Espacio en Blanco, realiza en estas páginas un viaje en busca de restos imposibles que delatan la presencia de otras civilizaciones, testimonios de otros mundos que han permanecido hasta nuestros días.

Muchos relatos atestiguan la presencia de seres «llegados desde el cielo» que han sembrado el planeta de pruebas para hacernos ver que no somos sus únicos habitantes, que no estamos solos, que nada sucede por casualidad.

El cráneo del niño de las estrellas

Los misterios del templo de Denderah

Los astronautas del Tassili

La roca de las profecías

Miguel Blanco nos abre las puertas de un mundo en el que las huellas de los antiguos dioses, sus señales, se van a hacer más visibles, y en el que la luz celestial, de la que se vio privado durante milenios, avivará nuestra adormecida conciencia
