Tales from the Taiwanese (World Folklore)

Gary M. Davison

Tales from the Taiwanese (World Folklore) Gary M. Davison

Although there are many collections of Chinese folktales, few if any focus specifically on the tales of Taiwan, which have evolved in a tradition separate and distinct from that of mainland China. This wonderful sampling of more than 20 Taiwanese tales will appeal to all ages, illuminating Taiwanese culture and demonstrating Taiwanese values and ethics. In addition, readers will find a brief history of the island, discussion questions, and activity ideas to extend learning and enjoyment, as well as simple Taiwanese recipes, color photos, and traditional drawings. Stories can be read aloud to younger students, while older children will enjoy reading and performing them on their own. This delightful introduction to Taiwanese traditions is a superb educational tool, and a great addition to the storytelling shelf. Grades K-12.

From reader reviews:

Harold Sparkman:

What do you think of book? It is just for students as they are still students or the item for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has various personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great and also important the book Tales from the Taiwanese (World Folklore). All type of book are you able to see on many resources. You can look for the internet options or other social media.

Bethany Hall:

What do you in relation to book? It is not important with you? Or just adding material if you want something to explain what the ones you have problem? How about your free time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They must answer that question since just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need this kind of Tales from the Taiwanese (World Folklore) to read.

Anna Brooks:

The book Tales from the Taiwanese (World Folklore) will bring one to the new experience of reading a book. The author style to elucidate the idea is very unique. Should you try to find new book to read, this book very suited to you. The book Tales from the Taiwanese (World Folklore) is much recommended to you to read. You can also get the e-book from official web site, so you can more easily to read the book.

Billie Gallagher:

Your reading 6th sense will not betray a person, why because this Tales from the Taiwanese (World Folklore) e-book written by well-known writer whose to say well how to make book that can be understand by anyone who also read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still hesitation Tales from the Taiwanese (World Folklore) as good book but not only by the cover but also by the content. This is one e-book that can break don't determine book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your reading sixth sense already said so why you have to listening to another sixth sense.
