**Dialoghi con la Madre Terra (Italian Edition)** Olivier Manitarà

Mentre l'ecologia sta diventando sempre di più una moda e una specie di religione moderna senza una vera relazione con la Natura e i vari regni che la compongono, diventa urgente ritrovare un dialogo autentico con la nostra Madre Terra.

In ogni epoca gli Esseni hanno messo questo sapere in azione e oggi propongono di nuovo un insegnamento raro e prezioso sui minerali, i vegetali, gli animali, gli uomini veri e l'intelligenza divina della Terra, così come uno sguardo franco sull'attualità del nostro Pianeta. Grazie ai messaggi consegnati dall'anima di ognuno dei Cinque Regni, nell'ambito di un cerchio sacro in occasione della celebrazione dell'Arcangelo Michele (nel settembre del 2009), oggi possiamo approfondire un tesoro di saggezza, un'ecologia globale e vivente, un'iniziazione alla vita, per guardare il mondo con occhi diversi e responsabili.
