Love Finds You in Wildrose, North Dakota Tracey Bateman

Only the strongest flowers thrive in the wilderness. Rosemary Jackson has traveled all the way to the frozen tundra of North Dakota territory to visit her twin sister, Rachel. It's been three long years since Rachel left Kansas with her new husband for this wild place. But Rosemary arrives to find only a grave, a grieving brother-in-law, and an underfed baby. She has no choice but to stay and see her sister's family through the long winter. Finn Tate has just buried his beloved wife, and he cannot seem to take care of himself or his infant daughter. He needs help. But he cannot stand the sight of Rosemary, who reminds him so much of Rachel, standing at his cook stove. When Rosemary settles into a neighboring homestead, Finn realizes she is far more strong-willed than he ever anticipated. But after a series of mishaps on Rosemary's property threaten her livelihood, it becomes clear that Finn is not the only one who wants her to go back to Kansas. When the wildflowers arrive with the spring, will Rosemary be forced to leave everything she's come to love in Wildrose, North Dakota?
