Methods for Matthew (Methods in Biblical Interpretation)

Methods for Matthew (Methods in Biblical Interpretation)

Today's biblical scholars study the Gospel of Matthew with a wide variety of methods that yield diverse and exciting insights. *Methods for Matthew* offers a primer on six exegetical approaches that have proved to be especially useful and popular. In each case, a prominent scholar describes the principles and procedures of a particular approach and then demonstrates how that approach works in practice, applying it to a well-known text from Matthew's Gospel. As an added bonus, each of the chosen texts is treated to three different interpretations so that the reader can easily compare the results obtained through one approach to those obtained through other approaches. The reader will learn a great deal about two stories from Matthew ('the healing of a centurion's servant' and 'the resurrection of Jesus') and the reader will also learn enough about each of these six approaches to understand their function in biblical studies today.

Mary Stockton:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Methods for Matthew (Methods in Biblical Interpretation) can make you truly feel more

interested to read.
