Photocopies: Encounters (Vintage International) John Berger

Berger presents a collection of moments, each supremely vivid, that together make up a frieze of human history at the end of the millennium as well as a subtle and affecting self-portrait of their author. Using careful, intensely visual prose snapping frozen vignettes of life, these twenty-nine "photocopies" teach us about lying and self-invention, dignity and tenderness, charity and courage. Overflowing with the sights, sounds, and smells of life, **Photocopies** is a masterpiece from one of the most important chroniclers of our time.
