Railroads of Hoboken and Jersey City (Images of Rail) Kenneth French

With over two hundred historical photographs, Railroads of Hoboken and Jersey City explores the cultural and commercial effects of railway travel in two important New Jersey cities. Because of their unique location directly across the Hudson River from Manhattan, Hoboken and Jersey City have long been centers of transportation activity. When the railway industry was booming in the early twentieth century, four major passenger terminals dotted the left bank of the Hudson from the Jersey Central to the Pennsylvania to the Erie to the Lackawanna. Thousands of people streamed through these terminals every day to the ferries that then took them across the river to New York City. Additionally, tons of freight were brought through the vast train yards along the waterfront. Railroads of Hoboken and Jersey City tells the history of the railroads between the mid-1800s and the 1970s. It also explores how the once vibrant waterfronts of Hoboken and Jersey City went through tremendous decline and how, over time, the waterfront has been restored and redeveloped. New residential and commercial buildings have sprouted along the old Pennsylvania and Erie properties, the Lackawanna Terminal has been restored, and the Central Railroad Terminal is now part of Liberty State Park, one of New Jersey's most popular tourist destinations.

From reader reviews:

Rodney Sierra:

What do you think about book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Only you can be answered for that query above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great in addition to important the book Railroads of Hoboken and Jersey City (Images of Rail). All type of book is it possible to see on many solutions. You can look for the internet sources or other social media.

Avery Thomas:

What do you in relation to book? It is not important with you? Or just adding material when you require something to explain what the ones you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. They should answer that question because just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this particular Railroads of Hoboken and Jersey City (Images of Rail) to read.

Patricia Howard:

Nowadays reading books are more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want attract knowledge just go with schooling books but if you want experience happy read one with theme for entertaining for instance comic or novel. The actual Railroads of Hoboken and Jersey City (Images of Rail) is kind of reserve which is giving the reader unpredictable experience.

Ronald Griffin:

This Railroads of Hoboken and Jersey City (Images of Rail) is great e-book for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. This book reveal it info accurately using great organize word or we can declare no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with beautiful delivering sentences. Having Railroads of Hoboken and Jersey City (Images of Rail) in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world in ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Hello Mr. and Mrs. busy do you still doubt that will?
