**Dark Hearts: A Collection of Four Novellas** Jeremy Bates

**A collection of four critically acclaimed novellas (*Black Canyon, Rewind, Run, Neighbors*):**

***Black Canyon*** - Black Canyon of the Gunnison National Park in Colorado boasts one of the most beautiful and deepest canyons in the United States. For twelve-year-old Brian Garrett, a weekend camping trip in the park promises to be an opportunity to bond with his aloof parents. But after his father suffers a horrible accident during a hike to the chasm's floor, events spiral quickly out of control, and over the next twenty-four hours Brian will uncover a terrifying dark side to his father-and an even darker side to himself.

***Rewind*** - When a man wakes in a rundown apartment, hooked up to a strange machine, a dead body in the next room, he has no memory of who he is, or what he is doing there. Over the next forty-eight hours, however, as he works to unravel the mystery of his identity, he'll come to realize that some things are better left unknown.

***Run*** - When a former soldier recently released from prison comes looking for his longtime girlfriend, and discovers she has moved on with another boyfriend, he vows to kill her. Now, it seems, she only has one option: Run. Neighbors New York City. Eight million people. You never know what kind of psycho may be living next door.

***Neighbors*** - New York is a city of eight million strangers. For twenty-five-year old Buddy Smith, who values his privacy, it's the only place he would call home. Yet his simple life is flipped upside down when a new neighbor moves in next door. She's young, beautiful, a bit nosy...and might just be a cold-blooded killer. Against his better judgment, Buddy spends the night with her--a decision that will prove to be the biggest mistake of his life.

## **Praise for Jeremy Bates and his books:**

"Bates' approach to the story is surprisingly restrained, cultivating impressive frights in the unnerving environment...an understated horror story that will remind readers what chattering teeth sound like."

- ***Kirkus Reviews*** on *Suicide Forest*

"Bates takes an intriguing premise to shocking lengths, revealing the outcome only in an epilogue. A graphically violent story with building suspense and a moral about where weaving such a web may lead."

- ***Booklist*** on *White Lies*

"The Catacombs is easy to consume whole, like a shocking, but delicious, pint of ice cream, as Bates never shies away from the bad or the ugly. If you are looking for something to give you chills before you go to bed or make you think twice about turning off your light, then The Catacombs is the book for you."

- ***San Francisco Book Review*** on *The Catacombs*

"[A] short, sharp shocker...Bates (*The Taste of Fear*) writes persuasively from [the protagonist's] adolescent point of view, making the horror of his youthful reminiscences that much more intense."

- ***Publishers Weekly*** on *Black Canyon*

"The story culminates in a tense situation and a surprising yet satisfying ending...well written and an exciting thriller."

- *Suspense Magazine* on *White Lies*

"The Catacombs is a thrilling descent into the unknown, peeling back the dark layers like a rotting onion, tears running down your face as you try to climb your way out. A hypnotic story of buried truths, disfigured creatures, and lost histories told with an authoritative voice full of heart and insight."

- *Richard Thomas, Bram Stoker nominated author* on *The Catacombs*

"Big on suspense...think of The Blair Witch Project with the exception being that this takes place in...a real haunted setting."

- *HorrorAddicts* on *Suicide Forest*

"Here's an enjoyable book to lose yourself in. Jeremy Bates doesn't miss a trick, teasing and misleading, ratcheting up the tension as the heroine...loses traction on a slippery slope of deceptions."

- *Glenn Kleier, New York Times bestselling author* on *White Lies*

"A horror story like none other...makes for a read that will delight horror fans who want their novels steeped in psychological suspense as well as action."

- *Midwest Book Review* on *The Catacombs*
