Empire Rising (Eskkar Saga) Sam Barone

Into this violent, unsettled land come the outcast Korthac and the remnants of his mighty desert fighters. Joining forces with Ariamus and his brutal band of thieves, the invaders set their sights on the biggest prize of all: the burgeoning city of Akkad—already renowned for its riches . . . and for the courage and wisdom of its two leaders.

The former barbarian, Eskkar, and his beloved wife, Trella, face a challenge far more daunting than the savage horde that previously threatened the young city they built together and have sworn to protect. For, while Eskkar roams the land, hoping to bring other towns into his growing empire, an insidious menace is slipping unnoticed into Akkad, intending to wreak havoc from within—to loot and enslave . . . and bring death.
