Intermediate Language Lessons, Teacher's Guide Catherine Andrews, Mary Jane Newcomer
Primary and Intermediate Language Lessons by Emma Serl are quickly becoming a mainstay in home education and in classical instruction, but one thing has been missing, until now—a modern guide for the teacher who wants to get the most out of these classic texts for today's students. These guides contain all the original questions and exercises from the textbooks, along with suggested answers. Having been written from the ground up by a team of dedicated teachers, these guides are designed for use in today's classrooms and in homeschool teaching. They include new optional "Extended Activities" that reinforce and enhance the original study sections, along with worksheets made for copying and handout for use by students.
