## Las Memorias de Sherlock Holmes (Spanish Edition) Arthur Conan Doyle

Este ebook presenta "Las Memorias de Sherlock Holmes (texto completo, con índice activo)" con un sumario dinámico y detallado".

Las memorias de Sherlock Holmes es una colección de historias de Sherlock Holmes, originariamente publicado en 1894, por Arthur Conan Doyle. Los temas de estas historias son variados: así, La Gloria Scott, El hombre encorvado y El paciente interno tratan de dilucidar crímenes ocurridos en el pasado; El tratado naval es una historia de espionaje; El Squire de Reigate y El intérprete griego nos hablan de la avaricia; o El empleado de correduría de bolsa, que trata de un timo cometido por motivos inconfesables.

Arthur Conan Doyle se sintió abrumado por la fama del personaje y lo hace morir (o eso parece) en el último cuento "El problema final". No resistiría la presión y años más tarde hubo de resucitarlo.

Sir Arthur Ignatius Conan Doyle (1859 – 1930) fue un escritor y médico escocés. Además de haber creado al inmortal detective Sherlock Holmes, escribió novelas del género fantástico, como "El mundo perdido", otras de corte histórico, obras de teatro, y poesía.
