## **The Book on Leadership** John F. MacArthur

More than ever, people are talking about leadership. But much of today's discourse is advancing the same old misconceptions.

In *The Book on Leadership*, best-selling author, pastor, and teacher John MacArthur sets the record straight: Leadership does not come from a job title. It isn't a matter of personality or charisma. And it isn't the same thing as iron-fisted authority. True leadership—the kind that refuses to bend to a shifting, fickle world—comes from a much deeper source.

Based on the writings of one of the most effective spiritual leaders of all time—the apostle Paul—MacArthur presents the "26 Characteristics of a True Leader." Whether you are a business leader, civic leader, church leader, parent, teacher, or student, the life of Paul will empower you to unleash your own capacity for leadership.
