The Farther I Fall Lisa Nicholas

Sometimes when you fall, you land just where you need to be...

Gwen Tennison got out of Afghanistan alive but scarred--and then got stuck on her sister's couch. When she's offered a job managing the U.S. tour for rock music's hottest, most troubled star, it seems like just the thing to snap her out of her post-injury funk. Her instructions are simple: start the shows on time, and keep him clean.

But Lucas Wheeler may be more than she can handle. Though he's drug-free, he still feels the need, and his gorgeous, capable new tour manager is a challenge he can't ignore. Fame and infamy have forced Lucas to protect his heart, but soon he finds himself craving Gwen's touch, and yearning to give her control. And Gwen might feel the same way.

But it's not just the mutual heat between them that is keeping Gwen on her toes. Someone is following Lucas from city to city. With more than just her job on the line Gwen must decide how much she's willing to risk to keep Lucas safe.

Lisa Nicholas lives in Michigan with a ridiculously adorable golden retriever named Maddie and possibly more cats than is sensible. If she's not writing, she's feeding her story addiction any way she can: raiding Netflix, pillaging her local bookstore and library, and (most recently) tearing her way through the comics archive at Marvel.
