The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English

The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English

The nature of literacy is an issue of global debate. When the National Literacy Strategy [NLS] was introduced into UK schools it was arguably the most ambitious educational reform programme in the world, and the controversy necessarily intensified. How can the impact of such reforms be assessed?

In its ten year history the NLS affected every primary and secondary teacher in the country and, therefore, every child. The initiative provoked a widespread recognition of the importance of literacy for all children and attracted the attention of many other governments. This book is the first definitive and objective review and evaluation of the impact of these literacy reforms. With contributions from the most respected experts on literacy and English from the UK and from across the world, this unprecedented critical examination explores:

- How teaching policy and practice were impacted by the reforms
- How the NLS came into being, how it was operated, what it did and did not achieve
- What we can learn from its successes and failures
- The most important aspects of the reforms, from policing grammar to the impact of ‘The Literacy Game’ and ‘informed prescription’ on teaching.

Whether you are a policy maker or classroom teacher, this book is an invaluable resource to anyone concerned about literacy. It provides readers from around the world with a genuine and evidence-based perspective on this immense initiative, lucidly evaluating the lessons learned from both its ambitions and its failures.

From reader reviews:

Paul McKinney:

Precisely why? Because this The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret this inside. Reading this book close to it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Patrick Pierce:

Your reading sixth sense will not betray you, why because this The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English publication written by well-known writer we are excited for well how to make book which can be understand by anyone who also read the book. Written with good manner for you, dripping every ideas and creating skill only for eliminate your hunger then you still skepticism The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English as good book not just by the cover but also with the content. This is one e-book that can break don't evaluate book by its protect, so do you still needing a different sixth sense to pick this particular!? Oh come on your studying sixth sense already alerted you so why you have to listening to one more sixth sense.

Wendy Kroll:

This The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English is great guide for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great organize word or we can point out no rambling sentences in it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English in your hand like getting the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen moment right but this publication already do that. So , this can be good reading book. Heya Mr. and Mrs. active do you still doubt this?

Mary Cruz:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart and

soul or real their pastime. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Great Literacy Debate: A Critical Response to the Literacy Strategy and the Framework for English can make you truly feel more interested to read.
