The Seance Society: A Mystery (O'Nelligan and Plunkett) Michael Nethercott

It's 1956, and Lee Plunkett has taken over the family business as a private investigator despite his reluctance to follow in his father's footsteps. When murder intrudes on a group of ghost seekers, Lee is asked to solve the case by a cop on the verge of retirement. At the urging of his perpetual fiancée Audrey, Lee enlists the help of Mr. O'Nelligan, a scholarly Irishman with a keen eye for solving mysteries. The duo is drawn into a murder investigation involving the "Spectricator," a machine designed to communicate with the dead. Soon, Plunkett and O'Nelligan are knee-deep in a suspect pool that includes a surly medium, a former speakeasy queen, a mysterious Spanish widow, and a whole slew of eccentric servants. Engaging, charming, and smart, *The Séance Society* by Michael Nethercott is a fresh take on the traditional mystery genre for readers who love original characters, witty dialogue, and a great whodunit.

"Nethercott's debut sparkles with a mix of W.B. Yeats and Elvis quotations, well-placed red herrings, and an endearing trio of protagonists."—*Library Journal*

"This clever series opener offers a mid-century take on the traditional drawing-room mystery...There is a sweet charm to this mystery, ensuring that readers will want to see more from O'Nelligan and Plunkett."—*Booklist*

"A classically styled Holmesian whodunit."

—*Publishers Weekly*
