A Chautauqua Idyl Grace Livingston Hill

A Chautauqua Idyl by Grace Livingston Hill

Down in a rocky pasture, on the edge of a wood, ran a little brook, tinkle, tinkle, over the bright pebbles of its bed. Close to the waters edge grew delicate ferns, and higher up the mossy bank nestled violets, blue and white and yellow. Later in the fall the rocky pasture would glow with golden-rod and brilliant sumach, and ripe milk-weed pods would burst and fill the golden autumn sunshine with fleecy clouds. But now the nodding buttercups and smiling daisies held sway, with here and there a tall mullein standing sentinel. It was a lovely place: off in the distance one could see the shimmering lake, to whose loving embrace the brook was forever hastening, framed by beautiful wooded hills, with a hazy purple mountain back of all.
