Blood and Ashes (Joe Hunter Novels) Matt Hilton

Matt Hilton's pulse-pounding thriller *Blood and Ashes* has ex-military operative Joe Hunter facing down a gang hell-bent on mass destruction.

The police say Brook Reynolds' death in a car accident was just a tragic accident, but her father knows better, and he wants Joe Hunter to bring her killer to justice. Hunter is skeptical until another attack—and a threat to Brook's sister—changes his mind. Soon the entire family is under siege and only Joe can truly protect them.

The battle to save Brook's family starts Joe Hunter on a trail of death that leads right to the heart of a racist conspiracy. White supremacists want to hold the government to ransom; and they have got their hands on a dirty bomb to make everyone pay attention. But can Joe stop the plotters before they reduce the free world to ashes?
