Tired of churchianity?

Ready for the real church?

This book is for Christians who want to understand why today's church isn't working, what is wrong, what to avoid, and what to do about it. Do you long to use your spiritual gifts and want to be a part of a biblical church? Do you want to understand where we are headed in the American church as seen from the Bible and prophecy?

Sofa church is the answer to the pastor-centric, consumer-based, institutional model of American churches. Insightful scriptures and personal testimonies reveal the apostate, heretical, and unbiblical teaching and practices in evangelical churches today. One evangelist's dream foretells the 9/11 attacks and depicts the future of America.

"For where two or three gather in my name, there am I with them" (Matthew 18:20).

Brent Massey has a Biblical Studies Certificate from Colorado Christian University. He lives in Hawaii with his wife and kids. He is also the author of:

Culture Shock! Hawaii

Where in the World Do I Belong

Discovering the Water of Life

Dream Interpretation is God's Business
