The Housewife Blues Warren Adler

A small town girl from the Midwest is carried away by her “Prince Charming” to the super-charged canyons of modern New York City. Warned by her uptight advertising executive husband to beware of strangers, the newlywed cannot repress her small town upbringing and instinctive innocence. She eventually befriends many of the offbeat and quirky tenants in her apartment building and enters into their complicated and sometimes tragic lives. Her journey of self-discovery from naiveté through disenchantment and eventual wisdom makes for a suspenseful story of a young woman’s inner turmoil and how culture shock can impact on deeply held values.
