Monographs are works in which the author has performed most or all editorial and layout functions of this book. It has not been otherwise edited or modified. The trustees deem that this work offers significant value and entertainment to our patrons and fans of the *Call of Cthulhu* roleplaying game.

THE PHANTOM OF WILSON CREEK: Something haunts the area of Wilson Creek, North Carolina. There is an evil that seems to inhabit the old Campbell House that lies south of the tiny, struggling, logging village of Mortimer, whose bad times still lie before it. The foothills of the Appalachian Mountains is an area rich in culture and history, though short on paved roads, telephones, indoor plumbing, and nearby help.
