The Practice and Procedure of the Inter-American Court of Human Rights Jo M. Pasqualucci

In a thoroughly revised second edition that incorporates the major changes made in the procedures and practice of the Inter-American Court since the original publication of this book, Jo M. Pasqualucci provides a comprehensive critique that is at once scholarly yet practical. She analyzes all aspects of the Court's advisory jurisdiction, contentious jurisdiction, and provisional measures orders through 2011. She also compares the practice and procedure of the Inter-American Court with that of the European Court of Human Rights, the Permanent Court of Justice, and the United Nations Human Rights Committee. She evaluates changes in the Rules of Procedure of the Inter-American Court that entered into force on January 1, 2010, and which substantially change the role of the Inter-American Commission in contentious cases before the Court. She also evaluates the challenges and means of State compliance with the Court's innovative reparations orders. Featuring revisions to every chapter to address the numerous new judgments, provisional measures, and orders adopted by the Court, this book will provide an important and updated resource for scholars, practitioners, and students of international human rights law.
