Trust Fund Stephen Frey

From the New York Times bestselling author of *The Takeover* and *The Insider* comes a riveting new novel pitting brother against brother and putting personal honor to the ultimate test--in the world of high finance and boundless ambition among power brokers from Wall Street to Washington.

A scion of wealth and privilege, Bo Hancock is the youngest son of Connecticut's most influential clan--and the financial genius at Warfield Capital, the multibillion dollar investment firm at the heart of the family dynasty. He is also stranded in the shadow of his charismatic brothers, Teddy and Paul, and starved for the approval of their domineering father. While his brothers enjoy the spotlight, Bo can be counted on to "clean up" when anything threatens to tarnish the sterling Hancock name.

Sixteen years ago, Bo covered up a monstrous crime involving Paul and a call girl. Now Paul is on the fast track to the White House--and Bo has become a liability, thanks to his weakness for alcohol and for women other than his wife. Stripped of his position and exiled to the backwoods of Montana--away from temptation and the public eye--Bo thinks his life has hit rock bottom.

But a deathbed reconciliation with his father brings him home and reinstalls him at Warfield Capital, sparking a rapid-fire chain of events that could destroy the family and its vast fortune. First Warfield is left vulnerable to every Wall Street shark out to make a killing. Then a sudden rash of real killings forces Bo to confront the specter of a sinister conspiracy--and brings him face to face with one shocking truth after another, shattering the world and the family he thought he knew . . . leaving him utterly alone and running for his life.

Trust Fund moves at hyperspeed from the canyons of Wall Street to the corridors of Congress to private sanctums of inherited wealth and power. It is the tale of a great American political and financial dynasty wrenched apart by its own fierce ambition--and by one son's determination to forge his own destiny on his own terms.
