Roger Waters: The Man Behind the Wall Dave Thompson

(Book). To some, he is the face behind classic Pink Floyd. To others, he is the temperament behind some of the greatest albums of the rock era. And to others still, he is one of the most original songwriters of a generation that overflows with notable talent. To all, he is an enigma: a rock star who not only eschewed stardom but also spent much of his career railing against it. But to call Roger Waters a mass of contradictions is simply taking the easy way out. He is so much more than that. *Roger Waters: The Man Behind the Wall* is the first full biography of the author of *The Dark Side of the Moon*, *Wish You Were Here*, and, of course, *The Wall*. It traces his life from war-torn suburbia to the multitude of wars he has fought since then with his bandmates, with his audience, and most of all with himself. Packed with insight and exclusive interviews with friends and associates, *Roger Waters: The Man Behind the Wall* dismantles the wall brick by brick, revealing the man who built it in all his glory.

Wesley Baker:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Roger Waters: The Man Behind the Wall can make you experience more interested to read.
