Adventures on the High Teas: In Search of Middle England Stuart Maconie

Everyone talks about 'Middle England'. Sometimes they mean something bad, like a lynch mob of Daily Mail readers, and sometimes they mean something good, like a pint of ale in a sleepy Cotswold village in summer twilight. But just where and what is Middle England? Stuart Maconie didn't know either, so he packed his Thermos and sandwiches and set off to find out...

Is Middle England about tradition and decency or closed minds and bigotry? Is it maypoles and evensong, or flooded market towns and binge drinkers in the park? And is Slough really as bad as Ricky Gervais and John Betjeman make out? From Shakespeare to JK Rowling, Vaughan Williams to Craig David, William Morris to B&Q, Stuart Maconie leads the expedition, with plenty of stop-offs for tea and scones, to discover the truth.
