Looking Back to See: A Country Music Memoir

Maxine Brown

Looking Back to See: A Country Music Memoir Maxine Brown

A vocal group without peer, The Browns were central artists in the changing sound of country and American popular music at mid-century. They were part of major changes in the entertainment business and American culture, participated in the folk music movement in the '60's, and saw the steady birth of rock 'n' roll up close as they worked with Presley and others. Illustrated with many never-before-published photographs, Looking Back to See is a remarkable story told here for the first time.
