We all want to be more productive. When you increase your productivity, you feel like you have control over your workflow and life - you feel like an achiever, organized and on the right track.

Most of us always have our smartphones or tablets in hand, so why not take advantage of them in order to become more productive?

This book is dedicated to a relatively new productivity app by Google called Keep. It's designed to help you create, share, and collaborate on notes in a quick and easy fashion. The app offers seamless syncing to Google; you and people whom you choose to share with can access notes made in Keep from anywhere: on your Android phone, tablet, or wearable.
