## **Mulheres recipientes: recortes poéticos do universo feminino nas artes visuais (Portuguese Edition)**

Flávia Leme de Almeida

Mais um lançamento da Coleção Propg Digital, por meio do selo Cultura Acadêmica, Mulheres recipientes se configura como uma obra de grande sensibilidade ao realizar a interseção entre a arte e os sentimentos femininos.

Resultado da dissertação de mestrado de Flavia Leme de Almeida, é necessário destacar que este livro não se restringe às generalidades de “estudos de gênero”. A proposta aqui extrapola este conceito. A autora faz uma análise múltipla: como a mulher enxerga a vida e como ela se expressa? Como o feminino aparece na arte? A partir destas questões fundamentais ela vai até os povos ancestrais, desvelar as primeiras esculturas votivas de evocação à fertilidade. Em seguida, faz um estudo de artistas mulheres contemporâneas, evidenciando como cada uma exprime suas angústias e experiências através de suas obras, destacando Frida Khalo, Louise Bourgeois, Celeida Tostes, entre outras. Por fim, Flavia Leme faz uma autoavaliação do próprio trabalho como artista, exprimindo seu processo de criação.

Mulheres recipientes realiza um estudo corajoso, que não hesita em revelar para o leitor as aflições, pensamentos e projeções do feminino. Ao analisar a arte, este livro toca no íntimo de muitas mulheres e descobre experiências que não poderiam ser conhecidas de outra forma.
