What is the connection between God and East Sheen? How do you talk your way out of an Albanian jail?

Why do dictators love to make comic books? How does a missed penalty-kick lead to a bloody war?

Theodore Dalrymple, a psychiatrist who gives expert witness in murder cases, has a passion for sideways thinking. In *The Pleasure of Thinking* he takes us on a witty and erudite voyage along the hidden pathways that bring ideas together. At once light-hearted and enlightening, it is an amusing flight of the imagination in which we discover the happy accidents that befall those who remain endlessly curious.
