Gwen Brown

The Virtuous Woman (Morgan James Faith) Gwen Brown

This book offers hope and insight for young wives and mothers who struggle to maintain vision and faith in the middle of the growing pains of life. It is based on Proverbs 31, and brings out many ideals that we all strive for but fall short of in some way. The main point is that true virtue is not contained in how well we do things, but in how hard we are willing to try.
