Poland 1:675,000 Travel Map, waterproof, GPS-compatible, 2012 edition, REISE

This map is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. It is double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information.

The map divides the country east / west with a small overlap between the sides. Road and rail networks are easy to see on a clear base which presents topography by altitude colouring with contours, spot heights, and names of mountain ranges, selected peaks and other geographical features. National parks are highlighted.

Road network includes local roads and selected tracks and gives driving distances on main and secondary roads. Symbols highlight various places of interest, including campsites, UNESCO world heritage sites, etc. The map has a grid with latitude and longitude at intervals of 1° and is indexed. Multilingual legend includes English, high quality German cartography.
