**Rush FAQ: All That's Left To Know About Rock's Greatest Power Trio (FAQ Series)** Max Mobley  
Rush FAQ documents the amazing story of the worlds greatest Canadian prog rock power trio, from its origins in a church basement in Willowdale, Ontario, to its induction ceremony at the Rock and Roll Hall of Fame. Covering 40 albums, 10 DVDs, thousands of mesmerizing live shows, and millions of rocks most loyal fans, the story of Rush is as epic and unique as its music. Rush has been maligned by the press for decades, and misunderstood by a legion of mainstream rock fans and rock glitterati. And yet only the Beatles and Rolling Stones have earned more gold and platinum records. Few artists, if any, have been as influential as Rushs three virtuosobassist-keyboardist-vocalist Geddy Lee, guitarist Alex Lifeson, and drummer-lyricist Neil Peart. Rushs focus has always been about its muse and its music. As such, Rush FAQ studies the evolution of the bands sound, from the early days of Zeppelin-esque blues-rock to complex, synth-laden opuses to the return of concept-album bombast with the critically acclaimed Clockwork Angels. With wit, humor, and authority, music industry veteran and unabashed Rush geek Max Mobley examines the music, gear, personalities, and trials and tribulations of one of rock and rolls truly legendary acts. It is a story Rush fans will treasure and rock and roll fans will admire.
