In Stephanie Barden's *The More the Merrier*, middle-grade readers will root for Cinderella Smith the same way they do for Junie B. Jones, Judy Moody, and Clementine.

Cinderella takes on mean girls in the second book in the Cinderella Smith series. A clique has formed in her third-grade class, and they don't want Cinderella in the group. Cinderella and her best friend, Erin, try to figure out what to do about the popular girls while making time to study for the big spelling bee.

Parents will appreciate the way the chapter book takes on the serious subject of bullying with a light touch, while emphasizing the importance of having true friends. The book also shows that studying pays off.

Engaging illustrations by Caldecott Honor Award winner Diane Goode bring Cinderella to life.
